What is proposed?: To consult on the findings of the detailed assessment and update the AQMAs, specifically AQMA No.1 as appropriate.

Why are the changes being introduced?: The Council are required to continually review air quality and keep AQMAs within the Borough up to date. Data over a number of years has been analysed and a detailed assessment submitted to DEFRA. DEFRA have agreed the findings of the detailed assessment. The next step under the statutory guidance process is to consult with the public, businesses and other stakeholders.

What evidence is being used to support this Equality Impact Assessment, and how is it being used?: Consideration has been given to the service data held on air quality from continuous air quality monitoring within the borough, and the statutory guidance provided.

How will this change be implemented?: Consultation and updating the AQMAs within the borough.
